

DONOR VERBIAGE

Rugby Idaho is a 501(c)(3) nonprofit organization that is committed to promoting the sport of rugby and building a sense of community for youth from kindergarten to 12th grade across Idaho.

Every year, Rugby Idaho identifies programs and projects focusing on rugby outreach and development, education, and safety. Your donation supports outreach programs that help to grow the game in Idaho communities and educational programs for coaches and referees.

Growing Popularity:

Rugby is not just a sport; it's a global community. It's the fastest-growing sport in the US, offering our players the unique opportunity to connect with others from all walks of life. Rugby celebrates diversity and accommodates players of all body types. Whether male or female, tall or short, slight of build or heavily muscled, there's a place for you on our rugby teams. Join us in this inclusive and exciting sport.

Community Impact:

With your help, we can impact the community by allowing our players to interact with diverse teammates and competitors. This fosters a love of the game and a deep sense of camaraderie that lasts well into adulthood.

What your Support Means:

Rugby Idaho works hard to keep registration costs at the lowest level possible. However, due to increased gear costs and additional fees associated with registration, referees, etc., we are unable to fund scholarships at the same level or cover some of our most basic costs. Your help in regard to this mission would be greatly appreciated, and the Rugby Idaho Board of Directors, Coaches, and players, thank you for your time and consideration.
